NOT TOO OLD TO ELOPE. The Romance of a Grinaled Miner and &

marked the prayer before meals was here also. The meaning of their trayer was this:

"lary he name of the lord be blessed from "I have been here a number of times," said Coroner Levy." and always find about the same nearons. Very fow of them will and any the dietary laws. This is the only Jewish restaurant in the way for that it sanctioned by Chief Rabbil Joseph. It closse every featurday, but that but Joseph. It closse every featurday, but the dietary laws. This is the only Jewish restaurant in here and take off his hat in a definant manner, as though he wished to impress upon the others present that he has oullived law of the properties of the same died in the property of the sathin angelly, and the glances and remarks directed at him."

It is evidently not the custom to give tips in the same come in the control of the waiter, as he and the Coroner were going out the waiter name had been as also in the same of the properties record upones of its low. The observation of the power in a highly dignified way to the Coroner, For a moment after emerging into the busy arrest the reporter felt lost. The American foreign to what he had just seen, and he felt like a traveller returned from strange lands to his native beath.
